Hi Maureen,

It looks like the 12:45pm window now isn't going to work. Could 5:30pm be ok on your end?

Hi Emily,

Pete will be at the airport for a 1:00 pm flight to DC. However, he is amenable to doing the call and you may call him on his cell at 917-376-2190.

Thanks,

Hi Emily,

As follow-up to our earlier conversation, Pete would like to have a brief (10-15 min) telephone call with AA Wehrum to discuss the Limetree Bay Terminals Refinery air permit issue.

Pete's availability:

Monday, 12/11 after 4:30 pm

Tuesday, 12/12 9:00-9:30 or 10:00 -10:30 am

Many thanks for your assistance.
